SPEED DATING

With TWOEy

Hiya, I'm Twoey Tooyah! I'd love to get to know more about you, but I've only got a couple pages! What can I call you? What pronouns do you go by?

P: You can call me Pink! And I'm a she/her! Autistic young adult, probably a furry, and a Gemini, if that matters!

AV: Aux Vile Thy/Thou

Some people don't date their friends while others only date people they know. Which one sounds like you and why?

P: I admit, I haven't done much dating. I think I'd only want to date my friends, since I'm more comfortable around people I already know, but I've never tried it. Most of my friends end up having partners anyways, lol.

AV: Unfortunately I can only date people I know and the better I know they get along with my other friends the better

Your personal experience with queerness?

P: I'm bisexual! I only realised it about a year ago, and it's been very illuminating, honestly! I'm still figuring myself out on it, but I'm realising how many crushes I've had on female characters. But man, are women pretty!!!

What would convince you to fuck on the first date?

P: Gosh, that's a thinker. If they looked pretty, initiated the flirting while respecting my boundaries, and... also let me watch a bit before joining

SPeEd DAtiNg

AV: Definitely heavy on question 2 but the more internet inside jokes you get that we make and both get is a pretty good meter.

Your thoughts on sex scenes in TV and movies?

P: I'm for them in theory, but so many of them are SOOOOO BORING! They've got this air of conventionality to them that I just can't vibe with. Straightness? Heteronormativity? I don't know how to put it, but I'm sure you get my meaning.

AV: Literally fine unless my parents are in the room or get me fucking out of there. How ever I usually don't care unless it's gay ❤️

Topics you're currently passionate about or have always loved spending your time doing?

P: Have you. Ever heard. Of a VR game. Called RESONITE!? It's collaborative creation has been totally reigniting my love for 3D modelling!!! Oh, I could go on for HOURS about it! I'll stop myself there, but I'd love to tell you more about it!!!!

AV: Gay robots and drawing gay little pictures of robots.

Do you have a least favorite sex toy?

P: The toys I MADE as a desperate teenager, made of tin foil and duct tape. Yes, really. They got the job done, but they were really unsafe, even with a condom on it. I'm so glad I have nice proper rubber toys now. They're SO much better!!!

With TWOCy

AV: I think finding out my exotic erotics toy was live cast makes me pretty dry 😭

What's your sexy time red flag or turn off?

P: Patriarchy. I know that sounds silly, but it's true! I love women, but I don't like women how a lot of media I've seen about liking women likes women. Like, it all focuses on their bodies and not anything about them as people! I like a pretty lady like everyone else, but SOOOOO much of it is exploitative and soulless!!! Or just all the damn same!!!! Ugh!!

AV: Just generally not caring about my pleasure or skipping over foreplay.

Do you like getting down to music? Top 3 tracks?

P: I usually listen to other people or audio asmr. but I've been known to have a few I like. Like.... Um. I guess "The Red Means I Love You". When. A particular time of the month comes around. It hits SO hard then. Eheh.

AV: Prison sex by tool

F-GAD-S!!!

GAD-ZOOKS, EVEN! WHAT IS GAD, EXACTLY? MANY FOLKS MAY BE FAMILIAR WITH GENERALIZED ANXIETY DISORDER. IT'S A VERY TROUBLESOME THING TO COPE WITH AT TIMES, TO SAY THE LEAST. IN MY CASE, IT WAS COUPLED WITH A FEW OTHER DIAGNOSES OVER TIME, WHICH FELT VERY DAMNING.

MENTAL HEALTH IS ONE OF THOSE THINGS THAT PEOPLE DESCRIBE AS A SORT OF BATTLE YOU FIGHT, THAT YOU HAVE "DEMONS" TO OVERCOME. IN MY CASE, I DECIDED TO ANTHROPOMORPHIZE MY SO CALLED DEMONS. AS IT TURNS OUT, THEY'RE ACTUALLY RATHER SILLY LITTLE GUYS!

THE MAELSTRO IS A CHARACTER WHO DICTATES MY DRIVE, MY WAY OF NAVIGATING THIS WORLD, AND HIS NAME IS A COMBINATION OF MAESTRO (A CONDUCTOR) AND MAELSTROM (YOU GET THE IDEA). HE IS A CONDUCTOR, THOUGH AT TIMES, NOT A VERY CONVENTIONAL ONE.

BIPOLAR, WHO USED TO BE MOOD DISORDER UNSPECIFIED, TAKES SHAPE AS A FUN AND SWIRLY SMILEY FACE, HARKENING THE LIKENESS OF YIN AND YANG WITH FANCY LITTLE BOOTS. IT CAN BE SWEET OR SOUR DEPENDING ON THE DAY, HOUR, OR EVEN MINUTE, MAKING IT A VERY POLARIZING DISORDER.

GAD IS MY STAR, HOWEVER. I PROUDLY INTRODUCE HIM TO FOLKS AS A LITTLE PRICK WHO ALWAYS THINKS HE'S RIGHT. IN THE MOST LITERAL SENSE, HE IS JUST THAT. DON'T WORRY, I'VE MADE HIM DECENT WITH A LITTLE HAT, COAT, GLOVES, AND EVEN A PAIR OF LITTLE SHOES. IT'S TRUE THAT HE'S USUALLY SCARED OF THINGS GOING WRONG, BUT BECAUSE OF THAT, HE TENDS TO BE AGGRESSIVE IN HIS OWN WAY.

THERE ARE OTHERS TO GET TO KNOW, BUT MAYBE FOR ANOTHER TIME. SO WHAT'S THE SIGNIFICANCE OF THIS ALL? WELL, I'VE REALIZED THAT WHEN I TAKE PARTS OF MYSELF AND ANTHROPOMORPHIZE THEM, SOME EDGES SOFTEN. I FEEL COMPASSION FOR THESE PIECES OF MY BEING THAT ALL MAKE UP THE EXPERIENCES I HAVE AND THE PERSON I AM.

Generalized Anxiety Disorder (GAD)

Scared people
are controlling

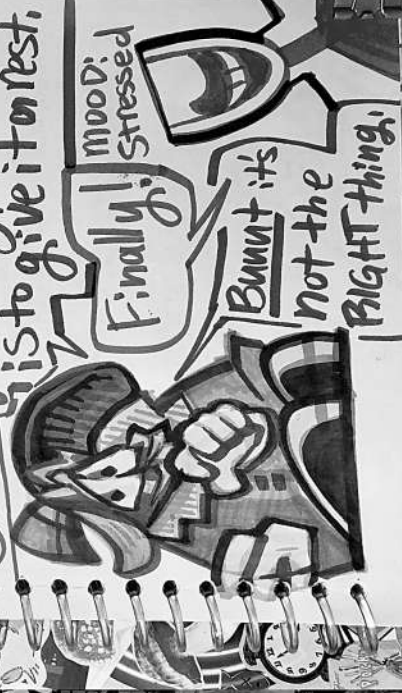

Don't show me to people,
they're going to think
I'm stupid, but more
importantly, that makes
you even MORE stupid
for coming up with
me, a
super
cringe
idea.
This was
a bad idea all along...

It appears that you
have fucked up on
a PLANETARY scale
because one person
in the entire world
has a problem with you.

Since you are hopeless
and have no control over
the outcome, which is the
WORST one because what
you did was deplorable
and crossing the line of
human respect, the least
stressful thing to do now
is to give it a rest.

Mood: Hell NAH
You're a terrible Person, so you need to overthink this to exhaustion. All this grief is deserved, so there's no reason not to keep dwelling on this and every other terrible way you fail.

Hey wait, I'm NOT Doing that. That is not gonna help me.

I'm RIGHT THOUGH

Mood: SCARED
