

Shelby Shrimpleton in The Cold Blooded Killer

By: Twolips Toogah **18+** Adults Only!

Thank goodness you're here, Shrimpleton! These
Cold Blooded Murders have really been ruffling
My feathers!

I'm happy to be of
service, but I'm
getting airsick
and I'm not
even the one
who can fly!

If my hunch is right - And I know it is - You're in danger,
Jacques. We've got to get you out of here!

That's what I'm afraid of, but
I can't just leave! What
about my audience?

Hate to break it to
you, but there will
be no shows if
you're dead!

I got my
goat when
Rockabilly
Grupp
was found
lifeless before
his last
concert
began...

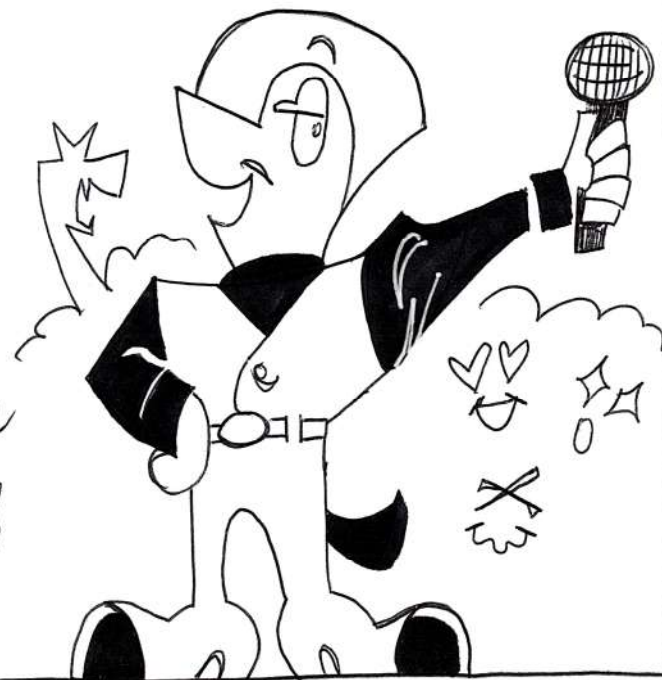

And before
I knew it,
Clam Procter
was down
swimming
with the
fishes!

By the
time it
made
scents,
we'd
lost
Skunk
Rock.

So now I'm
here to
make sure
Jacques Cock
of the Rock
doesn't make
the chopping
block!

KNOCK
KNOCK

Quick! You hide,
I get the door!

What? You're
not Jacques!
What are you
doing in his dressing
room?

I uh...
well...
